

INDEX TO NAMES  
IN  
REPORTS OF THE HISTORICAL SECRETARY  
OF THE  
OLD SETTLERS' ASSOCIATION  
of  
LAKE COUNTY, INDIANA

Compiled by  
Frances McBride (Mrs. W.A.)  
For the  
Julia Watkins Brass Chapter, NSDAR

The following pages are indexes to names which appear in the 1885-1890, 1891-1895, 1896-1900, 1901-1905, 1906-1910, 1911, and 1923-1924, publications of the Old Settlers and Historical Society of Lake County, Indiana.

The secretary of this organization was for many years the Reverend Timothy Horton Ball, who wrote much of the early published history of the county. Mr. Ball included within his reports--known as "Reports of the Historical Secretary of the Old Settlers' Association of Lake County, Indiana"--many items of genealogical value.

Because of the increasing interest in family history and because of the lack of an index, particularly in the first three volumes, it was felt that an index would aid in the location of names and data for the searcher.

The full data given with these names will be included at a late time to complete the material.
